

Clinical Educator Incentive Program 2022-2023

As a token of our appreciation, we are excited to announce the following 2022 – 2023 clinical educator incentives.

- **NEW:** The opportunity to receive **YOUR ANNUAL CASLPO FEES!** All clinical educators (CEs) from each clinical course (i.e., SLP1500, 1508 and 2500) will automatically be entered into a draw in September 2023 for **FULL** reimbursement of their College registration fees! There will be six lucky recipients in total – two from each course!
 - CEs who take multiple students will be receive **one entry per student!**
- **NEW:** **\$25 Gift Cards** for each clinical educator of a full-time paired or group model placement with 2 CEs : 2+ students
- **NEW:** **\$50 Gift Cards** for a sole clinical educator of a full-time paired or group model placement with 1 CE : 2+ students
- **NEW:** For Teaching Clinic and Lab Facilitator contributions, sites will receive a **\$30 payment for every 3 labs/Teaching Clinic contributions** per CE per academic year.
- **Continuing:** **Site payments** of \$10/day/student to be used for clinical education related expenses. For an eight-week placement, this is up to \$400 for a single student or \$800 for a pair!
- **Continuing:** Eligible to apply for a **Status/Adjunct Appointment**. Among the many benefits is unlimited access to the University of Toronto library, one of the largest in North America!

It's *not too late* to submit your offers for some placement units! For detailed information on all the placement units/courses and dates, go to [this link](#).
